3. [REDACTED] Mr. Elder stated he had received a call from the DCI requesting that arrangements be made for him to brief the Russell and Vinson Subcommittees upon his return and suggested next Thursday. I explained to Elder that we already had the monthly meeting with the House group set for the 22nd.

Subsequently, I talked with Bill Darden who stated it would be difficult on Thursday since this is the day for the regular meeting of the Committee but perhaps he could work out something for Thursday afternoon or Friday afternoon. He will advise.

Mr. Robert Smart is out of town until Monday and I will reconfirm with him for a meeting on the 22nd.
